

## **Fitting Instructions for OCG0011BK Oil Cooler Guard HONDA CROSS RUNNER 2011-**

**In This Kit There Should Be**  
**1x Oil Cooler Guard (OCG0011)**  
**2x 100mm Lengths of Foam**  
**2x 4mm cable ties**

- Remove the two bolts in positions arrowed at top of above picture.
- To fit the oil cooler guard to the bike cut the foam strips provided into 10mm wide pieces and stick them to the back of the oil cooler guard, so that they sit between the oil cooler guard and the oil cooler itself.
- Fit the oil cooler guard as shown above and secure using the two original bolts and the two cable ties through slots as arrowed at bottom of picture above.

### **CONSUMER NOTICE**

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect.

Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

### **R&G RACING RETURNS POLICY (NON-FAULTY GOODS)**

Returns must be pre-authorised (if not pre-authorised the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

Issue 1 28/06/2011 (NSY)

### Instructions de montage

**OCG0011BK**  
**Protection refroidisseur d'huile**  
**Honda Cross Runner 2011**

### Le kit contient:

**1x Protection refroidisseur d'huile (OCG0011)**  
**2x 100mm coupes de mousse**  
**2x 4mm attaches câbles**

- Enlever les 2 boulons positionnés comme sur la photo ci dessus.
- Pour installer la protection sur la moto, couper des bandes de mousse de 10mm chacune et collez les à la partie inférieure de la protection, de sorte à ce que ces petites mousses soient positionnées entre la protection refroidisseur d'huile et le refroidisseur d'huile lui-même.
- Installer la protection comme sur la photo ci-dessus et sécuriser en utilisant les 2 boulons d'origine et les 2 attaches câbles à travers les emplacements prévus à cet effet, comme au bas de la photo du dessus.

**Montageanleitung für den OCG0011BK Ölkühlerschutz**  
**HONDA CROSS RUNNER 2011-**

**Dieser Kit enthält:**

**1x Ölkühlerschutz (OCG0011)  
2x 100mm Schaumstoffstreifen  
2x 4mm Kabelbinder**

- Entfernen Sie die zwei Schrauben oben, die oben im Bild markiert sind.
- Um den Öl Kühlerschutz am Motorrad zu montieren, schneiden Sie zuerst die mitgelieferten Schaumstoffstreifen in 10 mm breiten Streifen und kleben Sie diese auf der Rückseite des Öl Kühlerschutzes, so dass sie zwischen dem Öl Kühlerschutz und dem Öl Kühl器 angebracht sind.
- Montieren Sie den Öl Kühlerschutz (wie oben abgebildet) und mit den zwei Originalschrauben befestigen. Verwenden Sie die zwei Kabelbinder, um den Öl Kühlerschutz unten zu befestigen (Kabelbinder durch die Schlitze im Kühlerschutz stecken – siehe Bild).
